Duration of Light and Darkness.

The fourth column of the calendar page for every month contains a diagram showing the amount of Darkness or of Sunlight or Moonlight. These small figures represent the twelve hours from 6 p.m. to 6 a.m., and have four divisions, each representing three hours. Example—from the 20th to the 25th of January there is moonlight from 6 p.m. to 6 a.m., but from the 7th to the 12th it will be seen that there is no moonlight. The light portions of the diagrams are not at all times to be considered as moonlight, for the reason that in some months light is derived from the sun after 6 p.m. and before 6 a.m.

In the column where chronology, historical data, inventions, etc., appear the year only is given—not the day on which it occurred.

ON A FARM Mexican Mustang Liniment is a necessity. For the outward ailments of horses, mules, cattle and sheep it is just the remedy a farmer needs. It should be kept handy.

Mr. Z. A. Hinson, of Charlotte. N. C., says:—"MEXICAN MUSTANG LINIMENT is without doubt the most reliable liniment in the market for the cure of pains and aches, especially Neuralgia and Rheumatism."

Dear Sirs:-

I heard of your Mexican Mustang Liniment and I tried it. It cured me of the RHEUMATISM. I just used three bottles and I can truthfully say I am sound and well as I ever was before. I recommend it highly to all, and I intend to keep a bottle in my house all the time.

Yours respectfully,

Does YOUR Hair Fall Out?

Haylow, Ga., March 29, 1901.

Lyon Mfg. Co., Brooklyn, N. Y.

Dear friends:—I must own that LYON'S KATHAIRON excels all hair tonics that I ever saw. It has changed my hair so fast until everybody in town is asking me what on earth it is that I have found that has improved my bad hair. I tell them that it is Lyon's Kathairon. So they have all begged me to send for another bottle before this one is out. Please find inclosed 50 cents for another bottle.

Your well wisher,
THOS. JAMES BRYANT.

Miss Susie Barnard, of Camden Court House, N. C., writes:—"I just wish everybody knew of LYON'S KATHAIRON so that they might use it and see what an improvement it will make in their hair."

Dear Sirs:—LYON'S KATHAIRON has no equal. Before I began using it my head was almost bald until one day I went to my nearest store and got a bottle of Kathairon. I saw where it had improved so many person's hair, so I thought I would try a bottle. The growth was quite slow but I never gave up hope, and it has given me a good growth of soft, long hair. Your Kathairon is up to date and can't be beat. It is not necessary to send my photo for proof as the fact is known among all my companions that Lyon's Kathairon has done the work. It is the warmest hair tonic in the South.

Yours very truly,

LOUISE MEYERS.

Miss Mary Harper, of Ozark, Ala., writes as follows:—"I have used Lyon's Kathairon and found that it was an excellent thing for my hair, as it has positively caused it to grow longer and thicker."

Lyon's Kathairon prevents baldness by enriching the hair roots, thus stopping it from falling out.

Mexican Mustang Liniment should be the first thing used on burns and scalds. It can't be beat.

Miss Annie C. Blauvelt of Grand Rapids, Mich., writes:—"My hair fell out and grew so thin I was unable to do it up nicely. I tried your LYON'S KATHAIRON and now my hair is growing rapidly thicker."

Mr. R. W. Thompson,

If the growth of the hair is impaired and it begins to fall out, the scalp needs treatment.

Lyon's Kathairon acts directly upon the roots. It works upon sickly hair exactly as water does upon a thirsty plant when applied to its roots.

It drives out Dandruff.

Tallulah, La., Feb. 15, 1901.

Lyon Mfg. Co., Brooklyn, N. Y.

Gentlemen:—I have used one bottle of your wonderful **Lyon's Kathairon** for the hair and it has done my hair more good than anything I have ever used. It should be used by every person that has dandruff in their head—it is a sure cure for it. My hair has stopped falling out, and, moreover, it has taken a new growth. Please find enclosed 50 cents, for which send me one bottle of Lyon's Kathairon.

Yours very truly,
MISS PATTIE E. WRIGHT.

REMEMBER THIS:

LYON'S KATHAIRON is only put up in one sized bottle, price of which is 50 cents. WE CANNOT SEND SAMPLES OR TRIAL BOTTLES. It is for sale by druggists and we prefer you would buy from them. James Robertson, of Winchester, Tenn., writes:—"Mexican Mustang Liniment cured me of Rheumatism. I used three bottles, and I can truthfully say that I am now as sound and well as I ever was."

The reason why.

The skin, muscles and fevered flesh absorb Mexican Mustang Liniment as a sponge absorbs water. That's why it cures—that's the reason people use it to cure Rheumatism, Lamé Back, Bruises, Sprains, Burns, Chilblains, Frost-bites, Piles, Cuts, Wrenched Limbs, Itch, Insect Bites, Inflamed Breasts, Sore Throat, Running Sores, Caked Udder, White Swellings, or any other trouble where inflammation exists.

J. H. Gordon, of Richmond, Va., writes:—"I will take this opportunity to say that I have used your valuable Mexican Mustang Liniment for many years and I consider it the best liniment on earth."

Lyon's Kathairon stops that irritating itching of the head because it cleanses the scalp of all dandruff.

His elder son, William, took up the work where his father left off and now the family has a beautiful home, all paid for, and is cultivating profitably seventy acres of the eighty owned. This is the kind of thrift and family unity which make races strong.

Gentlemen:—For years I was a terrible sufferer from piles and had doctored for them without getting relief. Knowing **Mexican Mustang Liniment** to be a good article I gave it a trial, and in a day or two I could feel a most pronounced change. Two or three weeks afterward I hardly knew I had ever been afflicted with this distressing ailment. I am now well, and nothing but **Mexican Mustang Liniment** cured me.

Lyon Mfg. Co., Brooklyn, N. Y.

Dear Sirs:—After using your elegant hair dressing **Lyons Kathairon** for awhile I will say that it has given great results, and I am under so many obligations to you for the good it has done my hair. I used it sparingly at first because I was afraid of it, for some hair tonics hurt the hair. Now that I know what it will do I am delighted with it, for it will do just what you say it will do. I have been out of it for some time but am going to get more. My hair has stopped falling out and grown longer, all the dandruff is nearly out and the itching has entirely stopped. Besides I am delighted with its pleasant odor and am highly pleased with its effect on my hair.

Yours very truly,

MRS. EMMA JONES.

If your hair has simply fallen out from certain causes which do not destroy the roots, **LYON'S KATHAIRON** will induce a new growth. It assists Nature to perform her task with ease and certainty.

Story of a wire nail.

Batt, Va., Feb. 20, 1901.

Lyon Mfg. Co., Brooklyn, N. Y.

Gentlemen:—Recently I stuck a wire nail in the palm of my hand one inch deep. I at once applied **Mexican Mustang Liniment** according to directions, and in ten days after my hand was entirely well. Mustang Liniment will do more than it is recommended to do, and everyone ought to have a bottle with them at all times. I know cases where other liniments have failed and Mexican Mustang Liniment has made a permanent cure. All that use it praise it. The above letter will be sworn to by me if need be. You can publish the above if you want to.

Yours very truly,
